Notes and Disclaimers

Updating Your Tax Info

You can manage your tax information via the Tax Settings section of the Uber Driver App. If you've changed your address or Tax ID and need to update them, please visit the Uber Driver App and open the Account menu, tap on Tax Info, then Tax Settings to get these items updated. If you are on a desktop computer you can login to the Driver Portal and follow this link to update your tax information <https://drivers.uber.com/p3/tax-compliance/profile>. Your tax summaries reflect the name, address and ABN tax ID you provide there.

Tax Deductible Items

Many of the items listed in the tax summary may be tax deductible. For more information we recommend that you seek guidance from a qualified tax site or service.

This Is Not An Invoice

This document is not an invoice or a regulatory tax form. The information in this tax summary does not reflect your personal tax situation and is for information purposes only. Nothing in this summary constitutes tax advice nor an employment relationship between Uber and you, neither express nor implied. Please consult your local tax adviser or tax administration for your personal tax obligations.

We Are Not Tax Advisers

Uber is not a tax advisor. Please feel free to consult a qualified tax accountant to better understand your individual tax obligations. Every Partner is unique and so are their specific tax circumstances. As such, the information in this document may not cover your tax needs and it should not be relied upon to replace you seeking independent tax advice.
